### **Dr. Tom Phelan Consulting**

**Tom Phelan**  
6385 Wilson Road  
Vernon Center, NY 13477  
315-243-7605  
[phelandrtom@gmail.com](mailto:phelandrtom@gmail.com)

Dr. Tom consults on emergency management leadership, education, training, exercises and research. Active in the disaster recovery/emergency management arena for over 20 years, Dr. Tom is currently involved in providing instructional design, training instruction, and advisory support focused on leadership and communication. Contract work is at the sub-contractor, usually per diem basis plus expenses. A specialty is in planning, exercising and evaluation for public schools, colleges and universities.

### **Disaster Survival Planning, Inc.**

**Judy Bell**  
5352 Plata Rosa Ct.  
Camarillo, CA 93012  
[jbelle@dspnetwork.com](mailto:jbelle@dspnetwork.com)  
800-601-4899

Disaster Survival Planning Network (DSPN) helps organizations develop comprehensive enterprise-wide business continuity programs. We are a network of nationally-certified business continuity and emergency response professionals who work one-on-one with top executives, department managers, safety committees, and business continuity project coordinators to plan, implement, and test business continuity programs. For clients who already have business continuity programs, we help audit, test, and update their capabilities, thereby identifying gaps in their processes and recommending enhancements consistent with best practices in the industry.

### **Eagle Rock Alliance**

**Gerry Nolan**  
80 Main Street  
West Orange NJ 07052  
[gnolan@eaglerockalliance.com](mailto:gnolan@eaglerockalliance.com)  
973-325-9900

Since 1998, Eagle Rock's expert staff and contract BC, DR and IT consultants have created or supported hundreds of BCM programs, analyses and risk management solutions. The firm's extensive project portfolio specializes in enterprise resiliency planning, BC/DR program management, risk assessments, BIAs, continuity and recovery strategy evaluations, business function continuity, IT systems and services recovery, plan development, documentation and test exercises. Comprehensive BC, IT-DR, cloud and colo plans, and program management services are also available. Projects are bid at fixed fees or on time and material, at competitive rates for resource skill levels required.

### **eBRP Solutions Inc.**

**Jennifer Craig**  
230-7895 Tranmere Drive  
Mississauga, Ontario, Can L5S 1V9  
905-677-0404, fax 905-677-6677  
[www.eBRP.net](http://www.eBRP.net)  
email: [info@eBRP.net](mailto:info@eBRP.net)

In business for more than nine years, eBRP Solutions Inc. has five locations and 10 fulltime consultants, some of whom are certified business continuity planners. They've been involved in or completed hundreds of disaster recovery plans. The firm has a risk management approach by identifying interdependencies, gaps and vulnerabilities leading to plan development and incident management. Complete disaster recovery planning, business continuity planning, project management and a range of services are available. A web-based Toolkit Suite is also available. Contracting in foreign countries is possible. The average hourly rate is based on the scope of the engagement.

## **Ernst & Young, LLP**

**Suzie Ray**

**220 South Sixth Street, Suite 1400**

**Minneapolis, MN 55402**

**suzanne.ray@ey.com**

**612-371-6799**

A challenge facing many organizations today is increased risk operating and transforming the technology infrastructure that supports critical business processes. These risks could include: disasters (man-made or natural), infrastructure technical architecture issues related to availability, performance, agility, security (e.g. denial of service), interoperability, or a requirement for rapid adaption or technology transformation brought on by business change. To help organizations combat these risks, EY takes an integrated IT Infrastructure & Service Resiliency (I&SR) approach that addresses both business and technology performance and risk. EY I&SR core service offerings include: business continuity management, data center & disaster recovery strategy, networks and telecom transformation, compute and core services transformation, and storage optimization and data protection.

## **Emergency Management & Safety Solutions**

**Regina Phelps**

**260 Whitney Street**

**San Francisco, CA 94131**

**415-643-4300**

**www.ems-solutionsinc.com**

**Regina@ems-solutionsinc.com**
