October 11 - 14
A VIRTUAL EXPERIENCE

RESILIENCY IN A TIME OF REBUILDING

WIN PRIZES!

There are three ways to win some amazing prizes at the event.

SPONSOR SPEED NETWORKING

Connect with our sponsors and earn prizes by joining our Sponsor Speed Networking sessions on Tuesday and Wednesday. During these sessions, you will join one sponsor for 5 minutes. After the 5 minutes, the sponsor will leave and a new sponsor will join you in the breakout room for 5 minutes. At the end of each Sponsor Speed Networking session, you will have met with 8 different sponsors.

There are two separate sessions, so if you join the Sponsor Speed Networking Room 1 on Tuesday, then join Sponsor Speed Networking Room 2 on Wednesday (and vice versa). That way you have an opportunity to meet all of our sponsors over the course of the two sessions.

ATTEND DEMONSTRATIONS

Each day there will be several opportunities to join 15-minute demonstrations with our sponsors. To be eligible to win a prize, you must attend at least one demonstration and stay for the duration.

If you attend all of the demonstrations each day, your name will be put into the drawing eleven times. If you only attend one demonstration during the conference, you will only be put into the drawing once. The virtual platform reports the log in and log out times. Only those who stay for the duration of the demonstration will be eligible for the prizes.

Demonstrations will be held each day (Monday - Thursday), and the drawing will be held on Thursday for all demonstrations.

GAMIFICATION

There are only two ways in which to earn points for gamification:

1. Attend the Sponsor's live virtual tradeshow on Monday and stay for a minimum of 3 minutes per sponsor
2. "Leave Your Card" at the sponsor booths.

Gamification will take place Monday - Wednesday. The top winners at 6:00 p.m. EST on Wednesday will be notified of their prize. If there is a tie, we will draw the winners.
