DRJ is offering an exciting raffle each day in the exhibit hall. On Monday and Tuesday, we will be raffling off numerous prizes donated by the participating vendors. Enter as often as you like by stopping by one of the booths listed below and collecting a raffle ticket. Drop these tickets into the bin at DRJ's booth (101). Winners will be drawn and posted prior to the last scheduled break in the exhibit hall on both Monday and Tuesday.

How does it work?

- Attendees visit the vendor booths that are participating in the raffle.
- The attendee may be required to have their badge scanned to receive a raffle ticket.
- The attendee will then take the raffle tickets to the DRJ booth and place one side of the ticket in the collection bin and keep the other side.
- Drawing will be held right before the afternoon refreshment breaks on Monday and Tuesday. The winning numbers will be posted at the DRJ booth.
- You must present the ticket to the DRJ booth staff to claim your prize.
- Any prizes that are not claimed by 3:30 pm on Tuesday, when the exhibit hall closes, will be taken to the registration desk. The winning ticket numbers will remain posted at the desk and can be claimed until 12:00 pm on Wednesday.
