## Assurance Software

**Maira Milliken**  
**800 Adams Ave**  
**Audubon, PA 19403**  
**800-478-7645**  
[www.assurancesoftware.com](http://www.assurancesoftware.com)  
[inquiries@assurancesoftware.com](mailto:inquiries@assurancesoftware.com)

At Assurance, we provide software to help companies govern, assess, prepare and measure their continuity risk exposures. With the solutions built into AssuranceCM you can reduce planning time, streamline assessments and readiness testing, and accelerate recovery. Our software is known for its easily configured SaaS applications that ensure a fit to the needs of each customer. We are recognized for having the industry's only HDI-certified customer support center and 100% up-time guarantee.

## Avalution Consulting

**Brian Zawada**  
**323 W Lakeside Avenue, Suite 410**  
**Cleveland, OH 44113**  
**866-533-0575**  
[avalution.com/catalyst](http://avalution.com/catalyst)  
[brian.zawada@avalution.com](mailto:brian.zawada@avalution.com)

Catalyst provides comprehensive, yet easy to use, business continuity and IT disaster recovery planning functionality to prepare organizations for disruptive incidents. Developed from Avalution's considerable experience building and operating the most effective, efficient, and strategy-aligned business continuity and IT disaster recovery programs, Catalyst was designed for the global enterprise organization but scales to address the needs of ANY organization. With Catalyst, business continuity planning is simple, scalable, and actionable – for both the program manager AND end user. Contact our team to experience the difference first-hand.

## BC in the Cloud

**Courtney Eiceman**  
**3238 W Germantown Pike**  
**Eagleville, PA 19403-1007**  
**267-341-9610**  
[www.bcinthecloud.com](http://www.bcinthecloud.com)  
[info@bcinthecloud.com](mailto:info@bcinthecloud.com)

BC in the Cloud is an integrated platform for business continuity and disaster recovery planning. Our automated tools for building and maintaining effective plans streamline and simplify your Continuity, Governance and Risk Management programs. Our platform offers more features and functionality than any other tool in the market. To complement our platform, we have skilled resources that have worked in the real world using automated tools for building and maintaining effective plans. We know what to focus on to improve productivity, meet requirements, increase resiliency and adhere to deadlines.

## ClearView Continuity

**Jon Mitchell**  
**Astral House, Granville Way,**  
**Bicester, Oxfordshire, OX26 4JT UK**  
**+44 (0)1869 354230**  
<https://www.clearview-continuity.com>  
[info@clearview-continuity.com](mailto:info@clearview-continuity.com)  
 ClearView is a global leader in business continuity software with a web-based platform that empowers organizations to manage their business continuity activity as efficiently and cost effectively as possible. With clients across both private and public sectors, ClearView has built an enviable reputation for excellence and innovation; and the software provides both ease of use and powerful functionality. ClearView also provides a highly experienced implementation team to help new clients get up and running quickly.

## Continuity Logic

**Tejas Katwala**  
**400 N. Tampa St.**  
**Tampa, FL 33602**  
**866-321-5079**  
[www.continuitylogic.com](http://www.continuitylogic.com)  
[clsales@continuitylogic.com](mailto:clsales@continuitylogic.com)

The Continuity Logic Platform is the world's first adaptive, zero-code integrated risk management platform. By using the Continuity Logic Platform, organizations can build highly configurable integrated risk applications that connect people, business process, technology, vendors, facilities, organization structure, and operational and regulatory data in weeks rather than months and years.

Continuity Logic dramatically reduces the cost and time to operate and change business continuity, GRC, and vendor risk programs and delivers strategic information in real-time to organizational leaders and front-line works so they can make better decisions.

## eBRP

**Jennifer Craig**  
**230-7895 Tranmere Drive**  
**Mississauga, ON L5S1V9 Canada**  
**1-905-677-0404**  
[www.eBRP.net](http://www.eBRP.net)  
[info@eBRP.net](mailto:info@eBRP.net)  
 eBRP Solutions Network, Inc. (eBRP) has been a provider of Business Continuity and Disaster Recovery software for more than 15 years – with an emphasis on integration of Incident Management and Proactive Situational Awareness capabilities within BCM programs. eBRP delivers it's integrated products - eBRP Suite - with an unlimited concurrent user license. eBRP Suite is deployed by many large enterprises and

**Disaster Recover Journal** publishes five directories per year on a variety of business continuity topics. Our policy is to only edit the information to meet our guidelines. We neither evaluate nor rate any of the participating vendors' products or services. Our goal is to maintain an independent view while sharing information to assist our readers in making successful, well-informed decisions. Contact the vendor directly for further information on any product or service listed in one of our directories. Vendors who would like to be included in future directories should contact Karrie Bauer at [karrie@drj.com](mailto:karrie@drj.com).

# 2019 BC Planning Software Directory

federal agencies, in both cloud-hosted or on premises installations. eBRP Suite is a highly scalable and secure Enterprise BCM software platform that protects against obsolescence and will always meet its users' program objectives.
