

DRJ SPRING 2021
March 29 - April 1
A VIRTUAL EXPERIENCE

WIN PRIZES!

There are three ways to win some amazing prizes at the event.

SPONSOR SPEED NETWORKING

Connect with our sponsors and earn prizes by joining our Sponsor Speed Networking sessions on Tuesday and Thursday. During these sessions, you will join a sponsor and up to 5 people in a breakout room. After 5 minutes, the sponsor will leave and a new sponsor will join you in the breakout room for 5 minutes. At the end of each Sponsor Speed Networking session, you will have met with 12 different sponsors.

There are two separate sessions, so if you join the Sponsor Speed Networking Room 1 on Tuesday, then join Sponsor Speed Networking Room 2 on Thursday (and vice versa). That way you have an opportunity to meet all of our sponsors over the course of the two sessions.

ATTEND DEMONSTRATIONS

Each day there will be two opportunities to join 15-minute demonstrations with our sponsors. At the 11:45 a.m. EST time slot, there is one Gold Sponsor demonstration, and at 1:45 p.m. EST, you will be able to attend one of several Silver Sponsor demonstrations. To be eligible to win a prize, you must attend at least one demonstration and stay for the duration.

If you attend two demonstrations each day of the conference, your name will be put into the drawing eight times. If you only attend one demonstration during the conference, you will only be put into the drawing once. The virtual platform reports the log in and log out times. Only those who stay for the duration of the demonstration will be eligible for the prizes.

Demonstrations will be held each day (Monday - Thursday), and the drawing will be held on Thursday for all demonstrations.

GAMIFICATION

You will be able to earn points by attending sessions, interacting with other attendees, and visiting the exhibit booths. The more engaged you are with the event, the more points you will earn. The top five people on the leaderboard each day will win prizes. Gamification will take place on Monday, Tuesday, and Wednesday, and the daily winners will be notified at the end of each day.
