800-478-7645

www.assurancesoftware.com

inquiries@assurancesoftware.com

At Assurance, we provide software to help companies govern, assess, prepare and measure their continuity risk exposures.

With the solutions built into AssuranceCM you can reduce

planning time, streamline assessments and readiness

testing, and accelerate recovery. Our

software is known for its easily configured

SaaS applications

that ensure a fit to the

needs of each customer. We are recognized for having the industry's only HDI-certified customer support center and 100% up-time guarantee.

ClearView Continuity

Jon Mitchell

Astral House, Granville Way, Bicester, Oxfordshire, OX26 4JT UK

+44 (0)1869 354230

<https://www.clearview-continuity.com>

info@clearview-continuity.com

ClearView is a global leader in business continuity software with a web-based platform that empowers organizations to manage their business continuity activity as efficiently and cost effectively as possible.

With clients across both private and public sectors, ClearView has built an enviable reputation for excellence and innovation; and the software provides both ease of use and powerful functionality. ClearView also provides a highly experienced implementation team to help new clients get up and running quickly.

Continuity Logic

55 Lane Road Suite 303, Fairfield, NJ

07004

866-321-5079

www.continuitylogic.com

clsales@continuitylogic.com

Continuity Logic is an adaptive zero-code platform supporting Business Continuity, Disaster Recovery, Crisis Management, and Risk Management that gives users the

ability to generate actionable on-demand business intelligence for leadership, including the C-Suite. The rules engine, workflows, reporting structures and dashboards allow for measurement

of resilience and management through automation. Users can map dependencies, visualize critical end-to-end business services, and identify single-points-of-failure, both internally and from third parties. With Continuity Logic's platform, organizations can pivot from a document-based model of resilience to a dynamic data-centric model that supports real-time analytics.

eBRP

Jennifer Craig

230-7895 Tranmere Drive Mississauga,

ON L5S1V9 Canada

1-905-677-0404

www.eBRP.net

info@eBRP.net

eBRP Solutions Network, Inc. (eBRP) has been a provider of Business Continuity and Disaster Recovery software for more than 15 years – with an emphasis on integration of Incident Management and Proactive Situational Awareness capabilities within BCM programs. eBRP delivers its integrated products - eBRP Suite - with an unlimited

concurrent user license. eBRP Suite is deployed by many large enterprises and Disaster Recover Journal publishes five directories per year on a variety of business continuity topics. Our policy is to only edit the information to meet our guidelines. We neither evaluate nor rate any of the participating vendors' products or services. Our goal is to maintain an independent view while sharing information to assist our readers in making successful, well-informed decisions. eBRP Suite is a highly scalable and secure Enterprise BCM software platform that protects against obsolescence and will always meet its users' program objectives.

Infinite Blue

Emily Parker-Woodland

399 Arcola Road, Suite 200

Collegeville, PA 19426
