eBRP
230 – 7895 Tranmere Drive
Mississauga, ON, L5S 1V9
888-480-3277
www.eBRP.net

eBRP strives to harness leading edge technology to create management decision support tools that serve the needs of Business Continuity Management professionals. We work closely with our customers to constantly improve our eBRP Suite of products, to continually enhance usability, flexibility, and scalability. We always aim to create the best solutions for our customers' BCM requirements, with the lowest total cost of ownership and a justifiable return on investment. eBRP evolved the methodology of Business Resiliency Planning to an Asset-Centric model, defying traditional plan-centric BCM 'standards', thus empowering organizations to become Incident Ready.

Virtual Corporation, LLC

2920 Laguna Court
Loveland, CO 80538
800-944-8478
www.virtual-corp.com

Virtual Corporation is a leader in implementing enterprise continuity programs and organizational resilience. At Virtual, we aim to empower organizations of all sizes in all industries to achieve sustained resilience with our business resilience solutions. These solutions are prudent, practical, achievable, sustainable, and scalable, incorporating world-class software. We take this comprehensive approach in order to best help our clients become resilient, able to conquer whatever challenges lie ahead. When you partner with us, you're not just partnering with a business continuity management software company – you're partnering with a dedicated ally committed to helping you succeed. We realize that all businesses and organizations are unique, so empowerment should never be one-size-fits-all. We take the time to understand you, your mission, and your goals to craft strategies that will work. The strategies we propose will always be cost-effective and easily understood and remembered, and results will be delivered early and often. You don't have to go it alone, nor should you. Whether you've just started your plan or already have an extensive organizational resilience plan or enterprise business continuity plan in place, we will help you not only manage but also analyze and implement an optimal program that fits your business' needs.
