eBRP Solutions

Ramesh Warriar
US Toll-Free: 888-480-3277
International: +1 (905) 677-0404
Mississauga, ON L4W 4Y1 Canada
www.eBRP.net
info@eBRP.net

Established in 2002, eBRP Solutions brings together experience, continuous innovation, and practical thought-leadership in the domain of enterprise resiliency. Its approach is built on globally adaptable principles, supporting organizations of all types in strengthening their ability to prepare for, respond to, and recover from disruptions.

eBRP Suite is an integrated platform that is:

- Scalable and flexible, built for complex environments.
- Secure and holistic, connecting plans, assets, and people.
- User-friendly, designed to engage a wide range of stakeholders.
- Modular, with tools like EZPlanner, Toolkit, CommandCentre and eRMA supporting plan design, testing and decision-making.

eBRP helps organizations solve operational challenges by supporting the structure and execution of enterprise-level resiliency programs.

Emergency Management & Safety Solutions Inc.

Regina Phelps
260 Whitney Street
San Francisco, CA 94131
415-800-8697
ems-solutionsinc.com
Regina@ems-solutionsinc.com

EMS Solutions (EMSS) provides professional consultation and speaking services to some of the world's largest corporations,

government agencies and non-profit organizations on five continents. Professional services include crisis management, exercise design, business continuity and pandemic planning. Since 1982, EMSS has developed a distinct style of project delivery favoring substance over style and results over "window dressing." Our approach is pragmatic, reflected in an unwavering focus on client satisfaction gained by delivering results. A woman-owned business, the founder, Regina Phelps, is a well-known speaker, thought-leader in the industry and the author of four books on both exercise design and crisis management.

operations@mha-it.com
www.mha-it.com

MHA Consulting is a leading business continuity consulting firm to public and private businesses across the globe. We are a privately held company headquartered in Phoenix, Arizona, and are recognized for our experience and results across a wide range of industries, protecting trillions of dollars in global-market assets for today's leading companies. Our number one goal is to provide a high-profile presence that sends a clear message that we are serious about protecting your organization's assets and staff. Could you maintain business as usual in the face of disruption? When it comes to Business Continuity and business in general, different organizations will have different needs, but it all comes down to that question. With experience across multiple industries, MHA Consulting has full capability to create plans for complex problems to meet concise solutions. Don't let your business resiliency fall by the wayside because of short staffing, lack of technical knowledge or other business pressures.

We offer a complete portfolio of consulting services to assess, implement, exercise and maintain the maturity and sophistication of your business continuity program. The MHA Consulting team has more than a century of business continuity and disaster recovery experience. A proven leader in business continuity planning, disaster recovery planning, IT best practices, and crisis management, MHA helps you from program conception to maintenance by providing actionable guides and presentations written by industry thought leaders. Our software, BCMMETRICS™ delivers a comprehensive evaluation, measurement, and scoring of your business continuity management (BCM) program with "FICO" like scores so that you can heighten the sophistication of your BCM program over time.
