

2026 Emergency Notification Directory

Disaster Recover Journal publishes four vendor directories each year, with no evaluation of products or services described. Vendors should contact Jon Seals at jon@drj.com to be included in future directories.

AlertMedia

**401 S 1st St, Ste 1400
Austin, TX 78704
www.alertmedia.com**

AlertMedia is the world's leading threat intelligence and emergency communication provider. Our award-winning, two-way multichannel messaging system and threat intelligence help organizations protect their business and people through all phases of an emergency. AlertMedia supports critical communication for thousands of leading businesses – including DHL, JetBlue, Coca-Cola Bottling, and Walmart – in more than 130 countries.

Alertus Technologies

**11720 Beltsville Dr, 9th Fl
Beltsville, MD 20705
202-ALERTUS
www.alertus.com
info@alertus.com**

Alertus Technologies is a pioneer and market leader in emergency mass notification systems for large-area, high occupancy facilities. Since 2002, Alertus has engineered innovative solutions for emergency mass notification that unifies and simplifies the notification process for immediate, comprehensive coverage. Alertus provides solutions for in-building notification, outdoor notification, and personal notification. Thousands of institutions and enterprise organizations worldwide trust and rely on Alertus to protect millions of people.

BlackBerry

**2200 University Ave. E
Waterloo, ON, Canada N2K 0A7
www.blackberry.com/athoc**

BlackBerry® AtHoc® is a critical event management communication platform that provides secure 2-way communication over multiple channels to keep people safe and

business operations running. It enables organizations to communicate and collaborate securely to planned and unexpected events such as cyberattacks, IT outages or weather events, ensuring critical information is delivered to the right people, at the right time, giving leaders the up-to-date information needed to make critical safety and operational decisions.

Black Swan Solutions

**N17W24100 Riverwood Dr., Suite 300
Waukesha, WI 53188
888-723-2466
www.blackswancrisissolutions.com
wgilbert@blackswancrisissolutions.com**

DIMS, Black Swan Solutions' proprietary Disaster Information Management System, is a single-vendor solution developed from 30+ years of hands-on experience in helping organizations prepare for, respond to and recover from crises. DIMS combines four critical emergency management components: Day-to-Day Messaging, Emergency Alerts (including accounting for people), Incident Management, and Victim/Family/Responder Database.

Crisis24

**2300 rue Émile-Bélanger
St-Laurent, Quebec, Canada, H4R 3J4
187 Admiral Dr.
Annapolis, Maryland 21401
www.crisis24.garda.com
support@crisis24.com**

Crisis24 offers advanced critical event management capabilities to help organizations achieve successful outcomes during a crisis. By combining artificial intelligence (AI), unmatched expertise and a modern platform, we do what no one else can: We provide actionable intelligence and get the right information to the right people at the right time – so you can mitigate risk, strengthen

organizational resilience and better protect your people, places and property.

Eaton

**273 Branchport Avenue
Long Branch, NJ 07748
800-631-2148**

**www.eaton.com/massnotification
marlareynoso@eaton.com**

From the battlefield to college campuses, Eaton's mass notification systems (MNS) are helping emergency managers around the globe deliver critical alerts when it matters most. As a premier provider to the federal government, Eaton's MNS solutions are battle-tested and battle-proven every day, protecting our armed forces in the most demanding environments. The ALERiTY integrated MNS platform by Eaton offers a one-click solution that can launch critical messages simultaneously across the different layers of mass notification, in-building and wide area MNS. The advanced technology provides unmatched reliability, ease-of-use, and interoperability for organizations seeking the utmost in emergency communications

safe and informed at all times. The company's award-winning, cloud-based mass communication platform is what clients across North America and around the globe rely on to send both emergency and day-to-day communications to millions of people. By enabling one-click messaging to mobile devices, landlines, social media, email, websites, and more, Regroup Mass Notification helps organizations keep people safe, strengthen operational resilience, mitigate risk, and thrive in an increasingly unpredictable world.

RockDove Solutions
1-800-787-1639
support@rockdovesolutions.com
www.RockDoveSolutions.com

RockDove Solutions is the developer of In Case of Crisis, a cloud-based software designed to help businesses manage rising threat levels in a whole new way, so they can better prepare their response teams and

stakeholders, identify and act on emerging threats faster, and respond confidently every time to any scenario. Unlike traditional critical event management and business continuity management providers, In Case of Crisis is focused on a scalable and affordable service to unite your crisis management teams (CMT) and stakeholders.

Veoci
195 Church Street, 14th Floor
New Haven, CT 06510
203-782-5944
www.veoci.com

Veoci is a no-code platform for business continuity management, emergency operations, incident response, mass notification, and customizable system solutions. It is comprised of fully integrated, intuitive, and interconnected tools such as Dashboards for reporting and analysis, Alerts and Notifications, automated Workflows, virtual meeting Rooms for collaboration and docu-

ment sharing, and mobile-device enablement—all with a focus on optimizing User experience, improving productivity, and facilitating effective business continuity and resilience. The Software as a Service (SaaS) platform is ideally designed for incident management and business continuity process automation and transformation, allowing organizations to overhaul existing manual-based processes. Veoci can be applied across all areas and departments in an organization, as well as across multiple organizations; the system can easily accommodate the need for additional functionality as projects and partnerships grow. Veoci is a Leader on Gartner's Magic Quadrant for BCMP Solutions, Worldwide; included in their Market Guides for Crisis and Emergency Management, and Business Continuity Management Program Solutions, as well as being included in multiple Hype Cycles. We were also recognized as having the highest customer satisfaction.

VOLO, LLC
9 Sunshine Blvd
Ormond Beach, FL 32174
888-865-6123
www.volosaas.com
mrothstein@volosaas.com

VOLO is a software as a service (SaaS) provider with a suite of powerful communication and management tools. VOLO is the only messaging company that brings everything your organization needs for successful team messaging together in one platform. With VOLO your entire organization can share our platform while only licensing the technology each team needs. The VOLO platform is flexible enough for each team to choose exactly which applications and features they need all while sharing access to a single solution. VOLO is robust enough to grow with your organization and even stay a step ahead.

DRJ MENTOR PROGRAM

Unlock your potential and accelerate your career with DRJ's free mentor program!

DRJ's mentor program is a unique opportunity that brings together seasoned experts, rising leaders, and early-career professionals across the resilience industry.

Over the course of six months participants are matched with mentors or mentees aligned to their respective areas of expertise and interest, in all areas of operational resilience. Past participants have originated from business continuity, crisis management, cybersecurity, emergency management, disaster recovery, enterprise risk, and other resilience disciplines.

Along the way, participants will have access to resources designed to facilitate discussions and foster meaningful connections that support both professional growth and community building.

Fill out the form at www.drj.com/mentor-program to be matched for our next spring or fall program!
